

Appendix D. WIMS Forms and Instructions

Anyone wishing to access WIMS must complete the FAMWEB Logon ID Request Form.

A FAMWEB Logon will also allow access not only to WIMS but to KCFAST, SIT, or 209. The form is available electronically on the FAMWEB site. <http://fam.nwcg.gov/fam-web/>

The link to the form is located under FAMWEB on the main menu.

Under FAMWEB, Select New User Accounts (1) then select the FAMWEB Logon ID Request Form link (2) on the FAMWEB: New User Accounts page. The form can be opened or saved. Save the form.

FAMWEB: New User Accounts (2)

To request a new FAMWEB Logon ID for WIMS, KCFAST, SIT, or 209, save this form: **FAMWEB Logon ID Request Form**. Once completed, email or fax it back to the Fire Applications Helpdesk (this information is provided on the form also) for processing. **** There has been a change for Forest Service requests. Forest Service requests no longer need to go through their Regional Security Personnel - please send your requests directly to the Fire Applications Helpdesk. ****

To request a new FAMWEB Logon ID for FIRESTAT, AWSR, AMIS, or ARS follow the **Application Account** link and enter your user information online. Once you have entered and saved the information, please contact your local Application Manager to activate your account.

Fax or email the completed form to the Fire Applications Helpdesk.
